## Coupon books to help business, HOD fight

by GLORIA DAVIS

The people at DJ's Fitness Health Club have come up with a two-sided plan intended to promote area businesses and help the Village of Antioch pay for its legal fight against Waste Management.

Dan Sterbenz, of DJ's, is asking for volunteers to help convince area businesses to participate by going in on a coupon book that offers their wares at a special discount.

With primarily businesses dealing in food and entertainment in mind, Sterbenz said that DJ's will start the ball rolling by putting in coupons offering \$30 worth of its services. He added that the ultimate coupon goal is to have 100 coupons in the book with each coupon redeemable for \$5 in merchandise or services, making the total value of the book at least \$500.

The books will then be sold to all comers for \$25 each. Ergo the buyer will be able to get approximately \$500 in merchandise and services for \$25, and the cost to the business

will be only its investment in the items offered.

Sterbenz feels that the value in advertisement and customer relations, as well as the drawing of new people into the businesses, will far outweigh the cost to the business.

The end result, after a very nominal printing charge is taken out of the proceeds of the \$25 sales, will hopefully be a large amount of money to help defray the village's legal bills incurred in the fight against the landfill company.

Sterbenz envisions huge profits especially if the book is sold all over Lake County and offered to the summer influx crowds next season.

Sterbenz adds that the bulk of the coupons should offer people an introduction to places to go and things to do in the area at special rates.

Volunteers willing to help can call Kim Schnoor at (312) 395-1170.

## Village levy approved keeping taxes same

At a public hearing on Tuesday, the 1983-84 tax levy for the village of Antioch, proposed at \$630,000, the same as last year, was unanimously approved.

Village Clerk Marilyn Sterbenz said that the \$630,000 was 38 percent more than the village realized last year. That total was \$455,700 which was the amount that the village got from property taxes, even though

the village had levied the same amount, \$630,000, for the 1982-83 tax year.

So in effect, though the percent of the levy is 38 percent more than the money realized last year, the actual levy of \$630,000 remains the same and there will be no increase in the village taxes as far as taxpayers are concerned.

## Court upholds village Video ordinance valid

by GLORIA DAVIS

According to Donald Ridge, Waukegan attorney who represented the Village of Antioch in the lawsuit filed by Chester Dubas, owner of the Ben Franklin Family Center, the court upheld the validity of the village's ordinance limiting the number of video game machines operated commercially within the village limits.

Lake County Circuit Court Judge Robert McQueen ruled for the village on Wednesday, Sept. 7.

In 1981 the village passed an ordinance limiting video game licenses to 38, the amount then in operation in the village.

Dubas, who had made plans to renovate the basement of the Ben Franklin Family Center into a large video game room containing 40 video games, sued the village for passing the ordinance after he asked for additional licenses. Ben Franklin is licensed for the 12 games that are presently in operation.

According to Andrew Lynch, attorney for Dubas, during the first legal action the village said that the family center was incorrectly zoned, which Dubas argued with.

Then the village agreed that Ben Franklin's zoning was correct but passed the ordinance based on total number of game licenses.

## Boil order issued after water break

A break in a water main near the water tower off of Rte. 173, discovered early Wednesday, Sept. 7, had Antioch residents boiling their water before drinking it.

Antioch Supt. of Public Works Todd Maplethorpe said that the monitoring system had set off an alarm announcing the malfunction at approximately 4:30 a.m..

Water pressure in the village immediately went down. Mayor Ray Toft said that he had no water when he arose at 6 a.m..

Maplethorpe said that the leak was isolated but residents were told to boil water for 20 minutes as a precaution.

By 10 a.m., Thursday, Sept. 8, the water boiling warning was off and the main that had pulled away was fixed by Thursday afternoon.

## Good news in The News

### Board to meet

There will still be a regular meeting of the Antioch Township Board even though the one set for Thursday, Sept. 8, was cancelled because of board members being out of town.

The meeting will take place at 7:30 p.m., on Monday, Sept. 19, at the township hall.

### To break ground

Antioch Mayor Ray Toft reported that there will be a ground breaking ceremony for the first of two 25-unit senior citizen housing projects to go up in the village.

The ceremony will take place at 2 p.m., on Wednesday, Sept. 14, in the area of the Old Saw Mill, in back of the Antioch United Methodist Church.

## 'Baby' hasn't come back

by GLORIA DAVIS

Although all the Lakeland Newspapers carried the story of the parakeet named "Baby" who was mistakenly sold by the L&R Pet Shop on Loon Lake Rd., between July 23 and August 8, there has been no response to the article.

Eileen Clements, the bird's owner, wrote to thank the newspapers "for caring," even though the pet parakeet that the Clements were boarding at the pet shop while they were on vacation has not been returned.

Mrs. Clements has one more plea in case the people who bought "Baby" just don't want to return him.

She asks that they place a collect call to (414) 537-4816, after 5 p.m., and anonymously let them know that their former pet is okay.

"I'd like to tell them of the treatment he is used to. He's such a sweet loving bird, I'd hate to see that spoiled because someone doesn't realize what they have," she said.

## Trust Co. appoints Sprenger

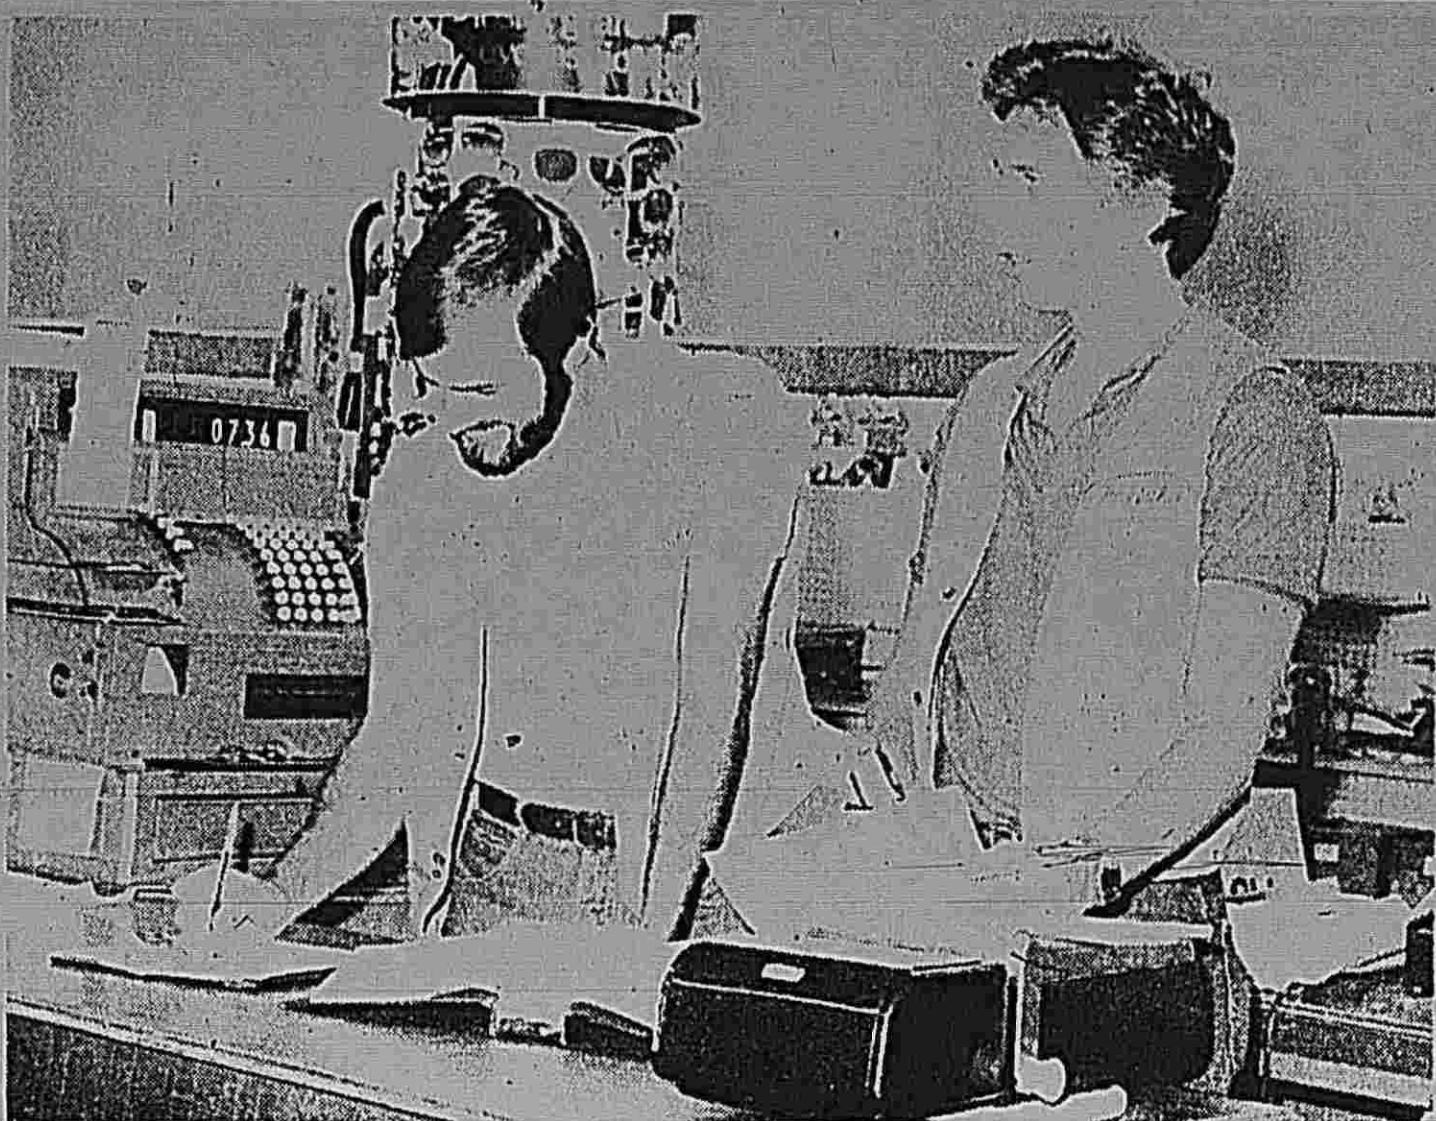

Otto H. Sprenger has been appointed a director on the board of the Antioch Trust Co.

Sprenger is owner and operator of Sprenger Real Estate in Antioch and specializes in the brokerage and management of agricultural properties, development land, recreational land, transitional land, investment properties and country estates.

He has served on the Kenosha County Board of Review and is serving on the Lake County Land Use Advisory Committee to the Regional Planning Commission of Lake County.

He was elected president of the Illinois Chapter of Farm and Land Institute and presently serves as national chairman of the legislative council of the Farm and Land Institute.

## True Value takeover New owners take look at new hardware stock

by GLORIA DAVIS

Stan Livermore, Vernon Hills, and Bob Leavitt, Waukegan, new owners of the True Value Hardware Store on Main St., have set about making it "the complete, full service area hardware store."

Having taken over the operation two weeks ago, the two young men have been

busy stocking shelves with "needed" hardware items.

"The electrical supply section is as good as any around," says Leavitt, adding that the reason for this is the fact that he is an electrical engineer and he ordered a lot of new stock in that department.

The new owners are setting about changing a "cat-

ch-all" image of the store by discontinuing all housewares.

Leavitt said that the housewares left by the former owners will be sold at a "garage sale."

"We are busy ordering and stocking our inventory, a job which should be completed soon with 50 percent of it expected in the store by Sept. 30," said Livermore.

"We're going out of the breadbox business."

Livermore has been in wholesale lawn and garden sales for nine years.

The two are planning to have a grand opening featuring special sales to welcome Antioch area customers sometime in the middle of September, the date yet to be announced.

## Dan DeFosse will run for Congress again

Dan DeFosse of Antioch has announced that he will once again seek election to the U.S. Congress from the 12th congressional district.

DeFosse was defeated last November in his initial bid for election by Republican Philip Crane of Mt. Prospect. DeFosse is a Democrat.

Following that bid, DeFosse announced that he would be running in Democratic primaries for the office of U.S. President. That campaign lasted only about a month however, before DeFosse announced he had made his point and withdrawn.

In making his most recent announcement, DeFosse said that he "won't be so nice

this time around. We learned a few things."

DeFosse said the reasons for his running are "obvious in the district" noting that the incumbent congressman Crane hasn't established an office in Lake County and hasn't moved into the district, despite representing it for almost a year. "Even the Republicans can't get service from Crane," said DeFosse.

DeFosse said he would be questioning the affects of Crane's alleged drinking on his job performance, would show some correlations between Crane and his brother Dan, also a congressman, recently censured by congress for his sexual involvement with a 17-year-old

page, and question the job he is doing in Washington.

"People are going to realize they didn't elect a Republican in Crane. He's closer to a Libertarian and he's out of step with this area," said DeFosse.

"He's shown he's in favor of every single subsidy for foreign countries, but none to help the people of this country and this district," DeFosse said.

DeFosse said he hoped Crane would campaign this time around and get to meet some of the people in the district. "People don't want to look at (Crane aide) Earl Lewis for two more years. They want Crane, not some second grade campaign manager," he added.

## Historical costumes to highlight lunch

"All American Women" will be the focus of a luncheon and fashion show sponsored by the Committee to Elect Barbara Richardson Coroner on Sept. 21.

The program will be held at Maravillas Restaurant in Ingleside at noon.

The costumes have been

researched and recreated by Hannah Steichmann of Fox Lake, who is coordinating the show. Other committee members are Margaret Paull, Fox Lake Village trustee; Donna Mae Litwiler, Ingleside, County Board member; Leona Borst, Mundelein; Bonnie Rockenbach, Grayslake and

Charlotte Kiesgen, Fox Lake.

Several Republican office holders will serve as escorts for the models.

For tickets call Dorothy Fetting, (312) 356-5744 or Margie Tylkowski, (312) 587-5890 after 6 p.m. Reservation deadline is Sept. 17.

## Antioch's Pickard elected VP

Henry A. (Pete) Pickard of Pickard China in Antioch has been elected first vice president of the Collector Platemakers Guild.

Pickard will serve a three-year term as vice president for the 35-member Platemakers Guild.

The Guild was created six years ago as part of an industry-wide effort to promote the hobby of plate collecting.

Members include the industry's leading manufac-

turers of collector's plates.

The Guild has announced plans to sponsor a "Platemakers Row" at the January Atlantic City China and Glassware Show.

The plan calls for producers of collector's plates and other limited-edition collectibles to arrange their booths along one row to maximize the industry's visibility to shop owners and collectible buyers.

Pickard is president of

Pickard China, which was founded by his grandfather, Wilder Austin Pickard, in 1894.

Pete Pickard has also served as assistant to the president and vice president of sales since joining the company in 1958.

"Opinion is ultimately determined by the feelings, and not by the intellect."

**Ask Dr. Sven**

by Robert T. Sven B.S.D.D.S.

**FLOSSING AND GUMS**

Question:

People who have just started flossing often find that gums may bleed from it. Is this a problem?

ANSWER:

Probably not. Gums invariably bleed a bit when people begin the flossing ritual. Consistent bleeding will probably stop after a number of days, and you'll notice that the gums become pinker and firmer. Those who start flossing are often a bit too quick in bringing the floss to the gumline, snapping it too hard against the sensitive tissues. This causes the bleeding. In time, gums toughen and thrive on the stimulation, and the person's technique improves.

Flossing accomplishes two important things: it scrapes plaque from tooth surfaces, especially areas between and sides of teeth. It also massages and stimulates the gums. But even after many years of flossing, gums will occasionally bleed from it.

# Antioch bike-a-thon set for Sept. 25

Charles Bischoff, chairman of the Antioch Cancer Society Bike-A-Thon, to be held Sunday, Sept. 25, indicates that the early response of rider entry blanks has been excellent.

"We are enthused about the prospect for making this year's bike-a-thon the best yet," he said.

The route for this year will cover seven miles, starting at the Antioch Fire Station on Orchard St., west to David St., south to Lake St., west to Tiffany Rd., north to North Ave., east to Deep Lake Rd., south to Little Silver Lake Rd. and west to

the starting point.

The bike-a-thon will begin at 9 a.m. All persons riding must begin at the first checkpoint at the fire station.

The other checkpoint will be the Atwood residence on Deep Lake Rd. Participants are encouraged to ride the route as many times as they desire. No one will be able to pass through the checkpoints after 3 p.m.

Entry blanks may be obtained from all area schools, the State Bank of Antioch, Jack's Four Squires, Antioch Township Library and the Antioch Village Hall.

Prizes to be awarded in-

clude a 10-speed bicycle, donated by the State Bank of Antioch, t-shirts, donated by Jack's Four Squires. The bike will be awarded to the top rider and the shirts will be presented to riders who collect \$50 or more in donations.

This year's bike-a-thon is sponsored by the Antioch Jaycees. The annual bike-a-thon has become increasingly successful due to support and commitment from the community, including the Antioch Fire Dept., Antioch Police Dept. and Antioch Parks and Recreation.

## 'Oklahoma' on Sept. 23

"Oklahoma," the brilliant Rodgers and Hammerstein musical which has broken box office records and set trends in American musical comedy that are still adhered to today, opens next weekend at the PM&L Theatre in Antioch.

When "Oklahoma!" premiered on Broadway on April 1, 1943, the audience was first greeted, not by a huge chorus line extravaganza as was the custom for most musicals up to that time, but instead by a simple pretty melody coming from somewhere off stage, being sung by one male voice.

It was Curly introducing the lovely "Oh, What a Beautiful Mornin'," of course, and the tone was established for what would prove to be one of the most influential and successful musicals in history.

Combining the themes of love, romance, and farm life in rural Oklahoma cattle country around the turn of the century, Oscar Hammerstein II integrated his poignant lyrics directly into the story line, (another first), and together with Richard Rodgers' beautiful songs developed a formula that has had audiences cheering ever since.

Director Donna Badtke of New Munster,

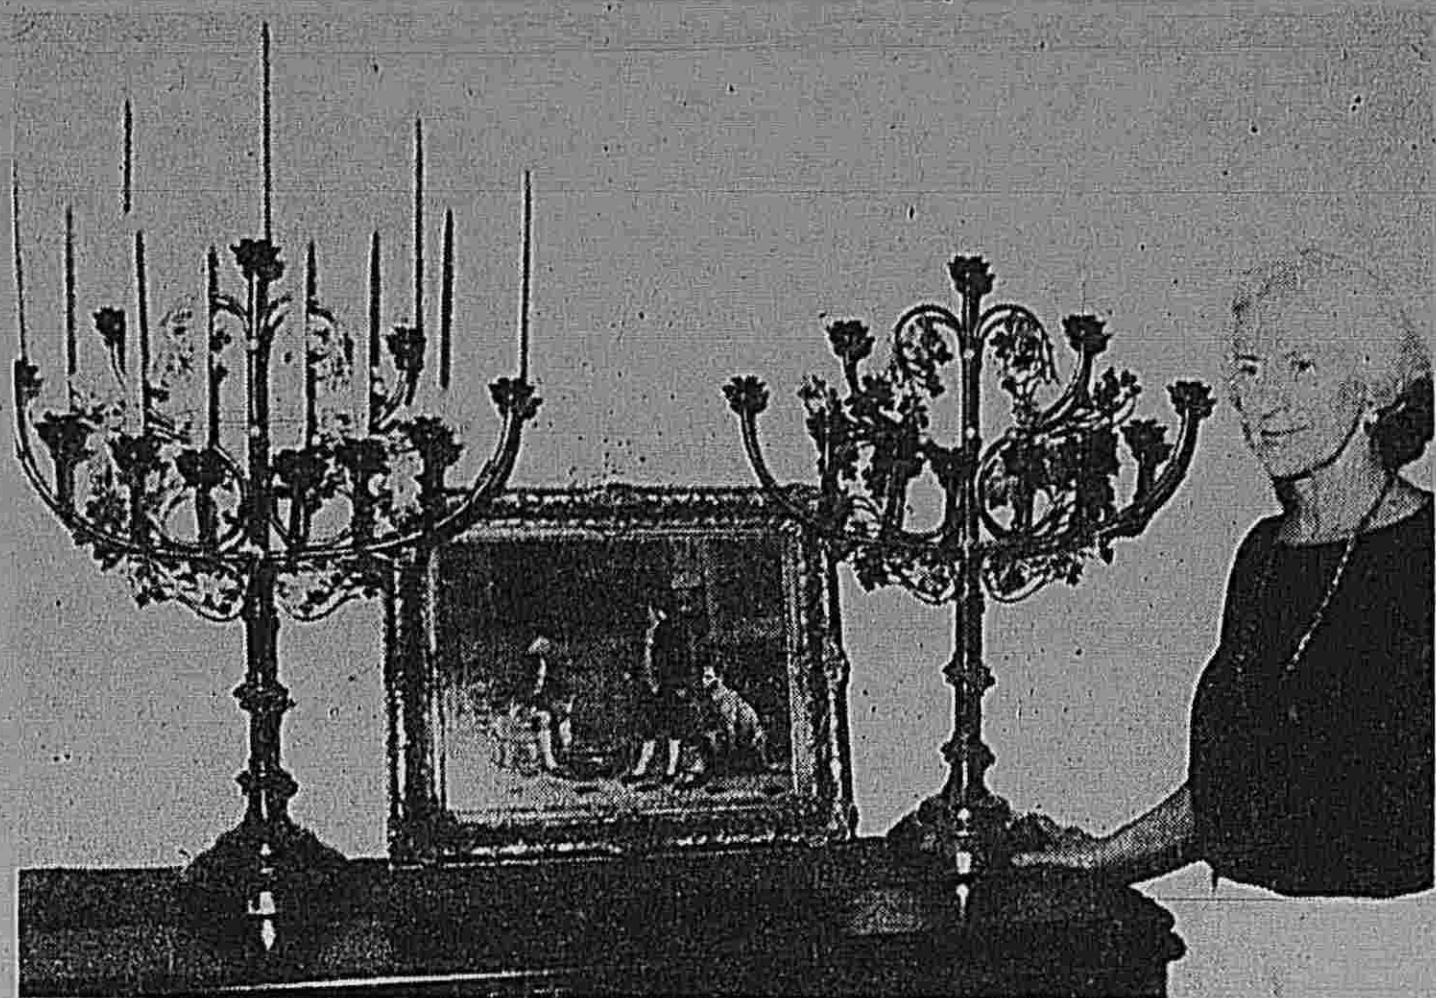

has assembled an exceptionally talented cast, (26 in all), with Mark Badtke of New Munster, Rosline Trusky of Winthrop Harbor, Nancy Lamb, Lindenhurst, and Dennis Gullion, Lindenhurst, leading the way. Donna recently directed the critically acclaimed "Veronica's Room" for the Haylofters in Burlington.

Tom Hausman of Antioch is the costume coordinator for this production and Peter Thelen of Antioch is the dance captain.

"Oklahoma!" will be performed on September 23, 24 and 30, October 1, 7 and 8 at 8:30 p.m. with a special Sunday matinee performance on Oct. 2, at 2:30 p.m.

Tickets are still only \$4.50 each with discounts for senior citizens and students. It is also not too late to purchase new season tickets. Contact the PM&L Theatre, P.O. Box 23, Antioch, Ill. 60002 for information.

Reservations for individual performances can be made at (312) 395-3055. Dinner theatre packages can be obtained from The Pub at (312) 395-3373 and at R.L. Greedy's at (312) 395-47750, both in downtown Antioch. The PM&L Theatre is located at 877 Main St., Antioch.

**LARSON TO LECTURE** — Joan Larson, Antioch, will be guest lecturer at Hawthorn Center's annual antique showcase. She will present one hour talk with slides on "Decorative Arts" collection at Winterthur Museum, at 10 a.m., on Sunday, Sept. 18, at the center. Shown with Larson are pair of altar garnitures Circa 1840, presented to Rev. Mother Guerin by French noblewoman as she established Dominican Order in Illinois.

## Antioch Jaycees selling battery smoke detectors

The Antioch Jaycees, in cooperation with the Antioch Fire Dept., are selling smoke alarms as a service to promote public safety.

The smoke alarms are available for \$10.50 each. They will be sold at the Village Hall beginning Sept. 17 from 9 a.m. to 4:30 p.m. Monday through Friday, and from 9 a.m. to noon on Saturdays.

The smoke alarms come equipped with a nine-volt battery and the manufacturer's instructions for installation.

It has been documented that smoke detectors save lives and property. For that reason

the village board recently enacted a smoke detector ordinance. That ordinance requires all new single family dwellings to contain at least one battery operated smoke detector.

Any new purchasers of a home which is not equipped with a detector must install at least one detector.

Members of the Antioch Fire Dept. have agreed to provide fire prevention instructions to any homeowner in the village who requests it. Fire prevention information will be distributed with each detector.

During his career as an actor and light-opera singer, DeWolf Hopper recited "Casey at the Bat" at least 10,000 times.

## When I think about it Over-news, not good news

by GLORIA DAVIS

Have you ever gone on a diet and gotten on the scale twice daily just to see the results of all that foodless suffering amount to only an infinitesimal fraction of an ounce?

Only veteran dieters realize that the less the weighing, the more the loss, ergo the more the interest and enthusiasm for the diet.

That's the way I'm beginning to feel about the media's coverage of most important world events.

When something world shaking happens why does the media feel that we all want to read, hear, and see every minute detail involved 100 times over, until we are so sick of hearing about it we miss some of the later, more important details and results when they occur, because we've been driven to the "who cares" brink after being dunned to death with news about the said incident.

Of course the immediate thing that comes to mind is the continuing saga of the destroying of the South Korean Airliner admittedly by the planes of the Soviet Union.

When it happened, I of course felt like all the important people that were interviewed during the first week following the infamous deed, "shocked, horrified, stunned, etc..."

Congressman Phil Crane's was the most refreshing quote, "Horrified? What did you expect from a country that puts a contract out on the Pope?"

The first news break was, and should have been, of interest to all of the free world, as were the reports following until I found myself listening to how every member of the State Dept., the Congress, the Senate, and even their pages felt about what had happened.

Then we were bombarded with insipid party-line answers from Russian diplomats, Russian statesmen, Soviet attaches and even the Russian doorman at the Washington Hilton.

I've yet to see the rest of the world stop turning, spun around by the usual interesting daily happenings, regardless of the lead story of the hour.

Naturally I want to be kept abreast of the evolvement of important events but why the overkill?

I'm an old Joe Friday fan so "How about just the facts ma'am!"

Lets forget the boring delving where no digging is merited. Headline stories that are the same as yesterday's with one minute added bit of information should be shoved to page five or made into just a few sentences before the tv or radio weather report until an important development comes to the fore.

The Romans would have called all such literary efforts, odium literatim. How about adding a little vocatum and videoatum to that description!

## Along the way with ANNIE MAE

One of the oldest fraternal lodges in Antioch, established in 1896, the Royal Neighbors of America, will have its annual get-together at noon, on Friday, Sept. 16, at the American Legion Hall on Ida St.

Plans include a delicious luncheon and lots of games to be played.

Here's some news that MATters. Chris DeWitt, son of Gary and Dona DeWitt, will be on the Bluejays wrestling team at Elmhurst College this year.

Garnet Cook was telling us how excited her daughter Kathryn Odsen was about her fall semester as a senior at Augustana College in Rock Island.

It seems that she and 68 other Augustana students are taking part in Augustana's Asia Program. Kathryn and the

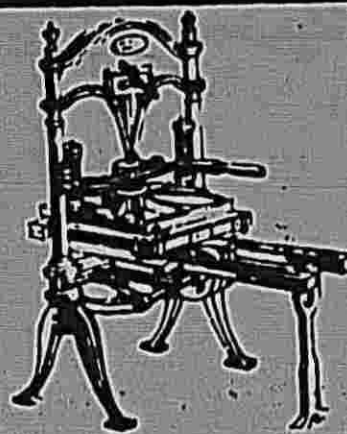

other students left O'Hare Field, Monday, Sept. 5, on a 14-hour flight to Japan.

Five college professors are traveling with the group during the planned 11 weeks of study and travel which will also take them to Taiwan, the Phillipines, Hong Kong, the People's Republic of China and Hawaii.

According to Garnet, Kathryn will gain 18 credits during the trip.

What a way to go to school! Forget that little old red schoolhouse when you can have the world as your classroom!

The outcome of the annual PM&L awards will prove interesting. If Mark Badtke gets the best actor award for his portrayal of Sky Masterson in "Guys and Dolls," it will bring memories back to long-time PM&L fans, memories of the 60's PM&L version of "Guys" when Wes Camp walked away with the award for playing that role.

## Sequoits NSC debut success over Mundelein

Antioch varsity football kicked-off on a very hot and muggy Saturday, Sept. 10, pleasing the crowds in the home stands by winning its first North Suburban Conference game against the Mundelein Mustangs, 18-13.

Antioch's first score came, with 10 minutes and 42 seconds left in the second quarter, on a two yard pass by senior running back, John Mahar.

The touchdown was the completion of a 99 yard drive that started when Antioch's defense stopped Mundelein from scoring with four minutes and 20 seconds left in the first quarter.

Besides scoring that touchdown run, John Mahar also had runs of 34 and 18 yards during that drive.

Then the Mustangs scored on an 84 yard pass interception return with seven minutes and 29 seconds remaining in the first half.

So, with that extra point kick no good, the Mustangs went ahead, 7-6, with 46 seconds left in the first half.

Antioch's senior linebacker, Andy Lehn, led a host of tacklers to bury the Mundelein punter in the end zone for a safety, making the score 8-7 at halftime.

The Sequoits took the second-half kickoff and, with six minutes and 55 seconds left in the third quarter, scored on a 30 yard field goal attempt by John Humphreys.

Included in that drive, starting on Antioch's 42-yard line, was a 25 yard run by Rod Steiskal, senior running back, and a 12 yard screen pass from Humphreys to John Mahar.

With four minutes to go in the third quarter, Antioch took over on the Mundelein

37 yard line, following a bad punt by the Mustangs.

The Sequoits drove to score with 10 minutes left in the game, John Mahar going over on a two yard run, making the score 18-7.

Included in that drive were 10 and 13 yard passes from Humphreys to Bryan Becker, senior end and a diving catch by Sequoit Dave Hart on a 14 yard pass from Humphreys, to make it first and goal on the four yard line.

With three minutes and 44 seconds left, Mundelein recovered an Antioch fumble and drove to score with 17 seconds left in the fourth quarter.

The extra point pass attempt was intercepted by Craig Prather.

The Sequoits will play the Libertyville Wildcats at Libertyville on Saturday, Sept. 17.

## Sequoits start soccer, lose first two games

Antioch's soccer team started their season Saturday, Sept. 3, against Waukegan West, with a 3-0 loss. This is Antioch's first season of soccer and this was their first game together as a team.

They played a good game although they didn't score.

They have lots of potential talent, they just have to work together. The experience is varied in each individual.

On Tuesday, Sept. 6, Antioch hosted their first conference game against Mundelein. Mundelein beat Antioch, 6-1. Mundelein played a good game, moving the

ball around well.

Antioch scored their first goal in the fourth quarter with an assist from Ron Noethling to John Flam.

Antioch's frosh/soph team is also 0-2. Their scores were: Waukegan West, 3, Antioch, 1, and Mundelein, 5, Antioch, 1.

## Correct equalizer omitted

In the preamble to the Antioch Township Assessment Roll for 1983 as published in the August 29, 1983, issue, the equalization factor tentatively projected of .9866 inadvertently was omitted. The equalization factor tentatively projected was correctly listed on page one of the August 29 issue. The Antioch News apologizes for any inconveniences resulting from the omission.

## Seniors need commodity card

Due to recent changes in procedures for distributing surplus government commodities, senior citizens age 60 and above must report to their senior center and make application for a Commodity Identification Card.

Seniors will be required to bring proof of age and proof of monthly income from all sources. The application process will only take a few minutes providing the senior has the required documents to prove age and monthly income.

The Lake County Community Action Project will verify the information on the

application and will issue the actual Commodity Identification Card at a later date.

Applications will be accepted at the Antioch Senior Center, 817 Holbeck St., Antioch, Ill. from Sept. 6 through 13, from 9 a.m. to 3 p.m.

The word radar is an acronym for RAdio Detecting And Ranging.

## Obituaries

### Frank J. Vanc

Frank J. Vanc, 77, of Largo, Fla., formerly of Cross Lake, Trevor, died Sept. 8 at Victory Memorial Hospital, Waukegan.

He was born March 6, 1906 in Chicago, moved to Cross Lake in 1950 and to Florida in 1969. He worked for Abbott Laboratories for 17 years, retiring in 1968. He married Carolyn Sedlacek on June 25, 1927 in Chicago.

Survivors include his wife, Carolyn; two daughters, Maryann Hills and Nancy (Robert) Scott, both of Cross Lake; one sister, Mrs. Emily (Laddie) Marek of Berwyn; one brother, William of Chicago; and five grandchildren.

There were no services or visitations. Arrangements by the Strang Funeral Home in Antioch.

### Margaret M. Campbell

Margaret M. Campbell, 79, of Antioch, died Sept. 6 at Victory Memorial Hospital in Waukegan.

She was born August 3, 1904 in Chicago and lived there until moving to Antioch in 1955. She was a member of the AARP and the Forever Young Club of Lindenhurst. On Dec. 20, 1921 she married William Paul Campbell in Chicago and he preceded her in death on Sept. 23, 1972.

Survivors include one daughter, Mrs. Shirley Turney of Antioch; and three grandchildren.

Funeral services were held on Sept. 9 at the Strang Funeral Home in Antioch with the Rev. Charles Miller of St. Stephen Lutheran Church officiating. Interment was in Ridgeway Cemetery, Des Plaines. Donations may be made to the Antioch Rescue Squad in her memory.

### Eugene C Adams

Eugene C. Adams, 60, of Oshkosh, Wis., died Sept. 9 at the VA Medical Center, Wood, Wis.

He was born Dec. 3, 1922 in Chicago, the son of Adam and Eve (nee Becmer) Adams. He moved to Fox Lake in 1945 and to Paddock Lake in 1954 where he and his wife, Lorraine,

operated the Adams Lounge for 28 years, retiring in 1982. He served in the U.S. Army during World War II and was a member of the Kenosha County Tavern Owners Assn.

Survivors include his mother, Eve of Minocqua, Wis.; three brothers, Edwin (Joan) Adams of Scottsdale, Ariz., Norbert (Lori) Adams of Minocqua, Wis. and Adam Adams of Willam Bay, Wis.; and one sister, Mrs. Irene (Joseph) Chaban of Sarasota, Fla.

Funeral services were held on Sept. 12 at the Strang Funeral Home in Antioch. Interment was in Sherwood Cemetery, Clark County, Wis.

## Zeien takes two top national awards

Antioch's Nick Zeien, a 1983 graduate of Antioch Community High School, took first and second place honors at the United States Canoe Assn's national championship races.

After 21 miles and two hours and 22 minutes on Missouri's Current River, he and teammate John Mooney of Oregon won the Junior Men's Cruising Race.

On the previous day Zeien joined forces with Jeff Ellison of Aurora and placed second in a field of 15 canoes in the Junior Men's Aluminum Race which was also 21 miles long.

Zeien and Ellison were pleased that they beat the fourth place standing which they obtained at the 1982 national canoe racing championships in New York.

They received medals for the first and second place positions and a traveling trophy was awarded for the first place title. The two national races were among the 22 races in which Zeien participated during the 1983 season.

In local races, Zeien joined with Lea Hamrick of Salem and won the Wisconsin State Mixed Cruising division with three consecutive victories.

They also competed in several Illinois races and performed well. Zeien is

NICK ZEIEN

coached by Fred Zeien, his father, who was the 1982 Illinois Master's class champion. He plans to keep in shape for next year's races while he studies chemical engineering at Monmouth College, Monmouth.

## Belluccis to turn estate into Fantasy Island

Residents of Lake County who have always wanted to visit Ricardo Montalban and his Fantasy Island will be able to experience the next best thing to it on Sunday Sept. 18, without traveling to the South Pacific.

Dr. and Mrs. John Bellucci have donated their home and beautiful estate in Antioch Township to the Condell Hospital Auxiliary as the site for the auxiliary sponsored Fantasy Island Dinner Dance, scheduled for that date, starting time 4 p.m.

Those who intend attendance are urged to live-out their fantasies for this one evening by either coming dressed as their secret fantasy or by simply "appearing as their beautiful selves."

One lucky participant will leave with a new mink coat.

## Teachers will attend developement Conference

Teachers and administrators from the majority of Lake County public and non-public schools will attend the Lake County Staff Development Conference sponsored by the Office of the Regional Superintendent of Schools.

The conference will be held at Marriott's Great America in Gurnee on Sept. 20 and 21 in the three

auditoriums. This is the fifth year Lake County educators have gathered at Great America to hear new and old ideas by nationally recognized professionals.

The conference was scheduled as a result of the positive responses from the over 5,500 educators who attended last year's similar event. The conference will feature speakers of national acclaim.

Conference topics will be "Classroom Management to Increase Time on Task" by Carol Cummings, "Six Ways to Avoid the Paper Blizzard of Teaching" by Madeline Hunter, "Schools of Sense and Humanity" by Zacharie Clements, "Behavior Management Discipline and Motivation" by Laurence Lieberman and "The Space Program" by Astronaut George Nelson.
